ABOUT THE JACKSONVILLE POLICE ATHLETIC LEAGUE

The Police Athletic League of Jacksonville (JaxPAL) is a 501(c)(3) youth-serving nonprofit that enriches the lives of children by creating positive relationships between law enforcement officers and the youth of our community through education, athletic, outreach, and teen leadership programs.

Our work to build positive relationships between police officers and kids—through our collaborative partnership with the Jacksonville Sheriff's Office—sets us apart from other youth-serving organizations in our community. These relationships are transformational for both the officers and the kids who participate in our programs, giving our community and our kids the opportunity to grow stronger together.

With the commitment and dedication of the Jacksonville Sheriff's Office, we are working to prevent crime by providing kids with the tools and support they need to break the cycle of violence and thrive. By providing opportunities to build positive relationships with officers, we give kids the best chance for their brightest futures.

ABOUT THE AWARD

The inaugural Service with Heart Community Engagement Awards will take place on October 24th, 2024. This year, JaxPAL intends to recognize those who exhibited exceptional compassion and engagement within the community.

EVENT DETAILS

The adage goes that the true yardstick of greatness lies in serving others. Accordingly, our honorees will span across various roles, from counselors and volunteers to officers, illuminating the lives of young people in our community and making a difference every day. As a token of our appreciation, the honorees will receive an exquisite crystal award from the Sheriff or a representative of his team. Officers will receive a special pin.
